

### **List of TMD Lectures**

- Examining the Articulatory System (Speaker: Dr Ziad Al-Ani)
- Clinical classification of the most common TMDs (Speaker: Dr Ziad Al-Ani)
- Making a Diagnosis of Disc Displacement with Reduction (Speaker: Dr Ziad Al-Ani)
- Lateral pterygoid muscle and its role in Disc Displacement (Speaker: Dr Ziad Al-Ani)
- Special Investigations (Speaker: Dr Ziad Al-Ani)
- Active Treatment of Disc Displacement with Reduction (Speaker: Dr Ziad Al-Ani)
- Splint Therapy in the management of Disc Displacement (Speaker: Dr Ziad Al-Ani)
- Making a Diagnosis of Disc Displacement without reduction (Speaker: Dr Ziad Al-Ani)
- Management of Disc Displacement without Reduction (Speaker: Dr Ziad Al-Ani)
- Making a Diagnosis of Myofascial Pain (Speaker: Dr Ziad Al-Ani)
- Examining the masticatory muscles (Speaker: Dr Ziad Al-Ani)
- Bruxism: Current knowledge of aetiology and management (Speaker: Dr Ziad Al-Ani)
- Splint Therapy for the Management of TMD Patients: An Evidence-Based Discussion (Speaker: Dr Ziad Al-Ani)
- How to find and record Centric Relation (Speaker: Dr Ziad Al-Ani)
- The use of Facebows and Semi-adjustable articulators in Splint Therapy (Speaker: Dr Ziad Al-Ani)
- The use of Stabilisation Splint in the management of MP (Speaker: Dr Ziad Al-Ani)
- How to make and adjust a Stabilisation Splint (Speaker: Dr Ziad Al-Ani)
- Diagnosis and Management of Osteoarthritis (Speaker: Dr Ziad Al-Ani)

### **List of Occlusion Lectures**

- "What's of Use to Me in Practice" (Armamentarium, Equipment and Techniques)? (Speaker: Dr Ziad Al-Ani)
- The Formative Approach in Simple Restorative Dentistry (Speaker: Dr Ziad Al-Ani)
- Examining Static Occlusion and Centric Relation (Speaker: Dr Ziad Al-Ani)
- Finding and Registering Centric Relation (Speaker: Dr Ziad Al-Ani)
- Examining and Recording Dynamic Occlusion (Speaker: Dr Ziad Al-Ani)
- The use of Facebow and Semi-adjustable Articulator (Speaker: Dr Ziad Al-Ani)
- Occlusal Registration: Techniques and Clinical Tips (Speaker: Dr Ziad Al-Ani)
- How would I adjust a high occlusal contact? (Speaker: Dr Ziad Al-Ani)
- How would I ensure a good occlusion on posterior composite restorations? (Speaker: Dr Ziad Al-Ani)
- Replacing missing teeth- Abutment is involved with guidance (Speaker: Dr Ziad Al-Ani)
- Occlusion on Implants (Speaker: Dr Ziad Al-Ani)
- Occlusion in Advanced Restorative Care (Speaker: Dr Ziad Al-Ani)
- When and how to increase the OVD (Speaker: Dr Ziad Al-Ani)
- The Dahl technique: Indications and Clinical Tips (Speaker: Dr Ziad Al-Ani)
- Copying the anterior guidance (Speaker: Dr Ziad Al-Ani)
- Occlusal Challenges: Clinical Scenarios Discussion (Speaker: Dr Ziad Al-Ani)

### **Guest Speakers' Workshops and Lectures**

- CAD-CAM splints design: from scanning to production (Speaker: Dr Mo Almuzian)
- Manufacturing of occlusal splints: From a laboratory perspective (Speaker: TBC)
- Orthodontic Management of TMD patients (Speaker: Dr Mo Almuzian)
- 2D and 3D radiographical examinations (Speaker: TBC)
- Surgical management of TMD problems (Speaker: TBC)
- Behavioural management of TMD (Speaker: TBC)
- Physiotherapy in the Management of Osteoarthritis (Speaker: TBC)
